

REAL PEOPLE, READY TO RESPOND

When you're part of an industry that's in constant motion, you need a freight broker who can keep up with the action — a partner who's always on and ready to meet your needs, on your timeline, at your pace.

At USL, we help freight broker agents, carriers, and shippers meet those challenges by balancing technology with personal attention. Partners rely on us to deliver the systems and solutions they need to keep their loads moving. And they know that in an industry dominated by automation, we'll be there the moment they need us, ready to respond in real time.

Along with responsiveness and reliability, with USL you'll benefit from:

- **10+ years of experience** in the logistics business, navigating challenges of all types and sizes.
- **A database of 80,000+ carriers**, ready to meet your shipping needs.
- **A network of more than 100 logistics agents**, ready to meet the demands of your business.
- **Centrally located Cincinnati headquarters**, serving the U.S. and Canada from coast to coast.
- **Diverse services.** We offer freight services in U.S. and Canada for oversized, heavy haul, van, flatbed, intermodal, temperature controlled, produce, LTL, rail, and DOD.
